The assignment of up to 90 points to each eligible Entry (up to 30 points in each of the three (3) criterion below) will be determined in the judges’ sole discretion, and six (6) participants in each Region that receive the highest number of points will win the Contest:

In the event any ties remain, this process will be repeated, as needed, by comparing the tied Entries’ scores on the next applicable criterion. If two (2) or more Entries are tied on all applicable Judging Criteria, the panel of judges will vote on the tied Entries. The decisions of the judges are final and binding.
